

# CHILD CARE & EARLY LEARNING HELP OUR STATE THRIVE

## KENTUCKY

Access to high quality early childhood education (ECE) boosts the well-being of children and helps parents get and keep a job. It's time for policymakers to build the supply and quality of child care and early learning by investing in early childhood education and educators working in centers, schools, and homes.

### Our State's Families Need Quality, Affordable Child Care and Early Learning

**319,099**

Number of children birth through 5 <sup>(1)</sup>

**68%**

Percentage of children with all available parents in the workforce <sup>(2)</sup>

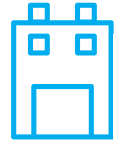

**10%**

Average percentage of family income spent on child care <sup>(3)</sup>

**79%**

Percentage of child care programs reporting staffing shortages that limit the number of slots available for families <sup>(4)</sup>

**50%**

Percentage of child care programs reporting they had to increase tuition to keep their doors open <sup>(5)</sup>

**50%**

Percentage of people living in a child care desert <sup>(6)</sup>

### Our State's Children Receive Their Child Care and Early Learning Experiences in Many Places

**160,519**

Licensed capacity in centers and family child care homes <sup>(1)</sup>

**18,790**

Number of children in state funded PreK programs\* <sup>(2)</sup>

**96%**

Percentage of children receiving child care assistance who are served in child care centers <sup>(3)</sup>

**14,033**

Number of children in Head Start and Early Head Start programs <sup>(4)</sup>

**5,085**

Number of children served in NAEYC accredited early learning programs <sup>(5)</sup>

**4%**

Percentage of children receiving child care assistance who are served in family child care homes <sup>(6)</sup>

**55**

Number of NAEYC accredited early learning programs <sup>(7)</sup>

## Our State's Early Childhood Educators Need Support and Compensation

**21,900** Number of educators working with children birth through 5 <sup>(1)</sup>

**60%**  
percentage of educators indicating they are more burned out than they were in previous year <sup>(5)</sup>

 Scholarships to support early childhood educators in accessing professional development, and earning credentials and degrees <sup>(6)</sup>

 Initiatives to increase educators wages and benefits <sup>(7)</sup>

“It has been more difficult to attract and retain staff. They can start at the same rate of pay or higher in fast food or retail work. I would like to see more invested in childcare so that we can continue to pay staff adequately and give future raises.”  
- Director/Administrator

## Federal Investments Support Access to Child Care and Early Learning and Increase the Well-Being of Children, Families, and Educators in Our State

**16,200**  
Number of children receiving child care assistance per month, on average <sup>(1)</sup>

**10%**  
Percentage of eligible children receiving child care assistance per month, on average <sup>(2)</sup>

**66,479**  
Number of child care programs relying on CACFP to feed children while they attend early learning programs <sup>(3)</sup>

**16,530**  
Number of children accessing special education services through IDEA Preschool Special Education (part B 619) <sup>(4)</sup> and Early Intervention (part C) <sup>(5)</sup>

 Currently receiving a Preschool Development Grant to improve our ECE system <sup>(6)</sup>

Programs including CCDBG, Head Start, IDEA, CCAMPIS, CACFP, CHIP, TANF, SNAP, MIECHV, and Medicaid, as well as tax credits such as the Child Care and Dependent Tax Credit and the Child Tax Credit, provide critical investments to support the well-being of young children, their families, and the early childhood educators who support them.
